Summary

From that first class of computer in school learning about abacus, technology and problem-solving always excite me and I am constantly in process of improving myself and the projects I develop.

I strongly believe that "A person might not have an answer to everything but he/she should have the eagerness to know and learn everything".

Education

Chitkara University

B.E in COMPUTER SCIENCE AND ENGINEERING UNDERGOING CSE WITH CGPA 9.63

Rajpura , Punjab

2018 -present

GMT Public school

XII – CBSE BOARD WITH 90.4%
